At this price range i think it's a best deal, brightness is good enough for outdoor usage, design is also nice, camera is decent but the portrait shots are good for this price range, it last for a day in 1 charge.No type c charging is given, so it take a lot of time to charge that's the only issue i facedREAD MORE

I am using C31 from last 22 days. it's a good deal. I gifted for my mother. over all performance is good going. Just one minus point is company is not given fast charging feature. Otherwise device is awesome 👍👍 Fast delivery 📦 on time delivery.READ MORE
